RESPONDING TO SAFEGUARDING CONCERNS

STAGE 1

A volunteer or another adult has a concern about the welfare of a young person or the behaviour of an adult towards a young person.
The person who has the concern has a duty to:

RECORD AND REPORT

A written record must be made of the concern, using the WYSA Safeguarding Report of Concern Form. The concern should be reported to the WYSA Safeguarding Officer within 24 hours.
The forms are located in the WYSA Volunteer Folder in the WYSA Container.

STAGE 2

The WYSA Safeguarding Officer receives the WYSA Safeguarding Report of Concern Form from a volunteer and has a duty to:

REVIEW AND REFER

The WYSA Safeguarding Officer will review the report, together with any other relevant information, and a decision will be taken, often in liaison with others, as to what action should follow, making a referral to Social Care if considered necessary.

STAGE 3

After the decision has been made as to what action should be taken, the WYSA Safeguarding Officer may have a duty to:

SUPPORT AND REPORT

Support should be offered to all parties affected by any safeguarding concerns, and where formal referrals are made, reports may need to be made to the Independent Safeguarding Authority.

RECORDING AND REPORTING SAFEGUARDING CONCERNS

Using the WYSA Safeguarding Report of Concern Form for a good written record of a safeguarding incident should:

- Be hand written as soon as possible after the event.
- Be legible and state the facts accurately; when hand written notes are typed up later the original hand-written notes should be retained.
- Include the young person / adult's name, address, date of birth (or age if the date of birth is not known).
- Include the nature of the concerns / allegation / disclosure.
- Include a description of any bruising or other injuries that may have been noticed.
- Include an exact record of what the young person / adult has said using the young person / adult's words.
- Include what was said by the person to whom the concerns were reported.
- Include any action taken as a result of the concerns.
- Be signed and dated.
- Be kept secure and confidential and made available only to the WYSA Safeguarding Officer, as far as this is consistent with the welfare of the young person concerned and representatives of the professional agencies (eg police or social care).

If a report is made to the police or social care in an emergency, ensure that the WYSA Safeguarding Officer is informed within 24 hours, or one of the Deputies if the Safeguarding Officer is not available.

If concerns arise in the context of a WYSA activity, the volunteer who has the concern may in the first instance wish to talk through their concern with the group leader. However, such conversations should not delay a report being made to the WYSA Safeguarding Officer.

The duty remains with the volunteer to record and report their concerns to the WYSA Safeguarding Officer.

If a concern is brought to the attention of a group leader by one of the volunteers, the group leader should remind the volunteer of their duty to record and report, and will also themselves have a duty to report the concern to the Designated Person for Safeguarding.
